Since 5 years Yachtcharter Sneek hires out classic built and excellent well-kept ships from Sneek, in the middle of the Frisian lake lands.

From the season 2005 there will come a new establishment in Italy, in COMO, Lombardy. With that we will present our guests a new, totally different sailing area.

From this establishment there will be hired out a SIMMERSKIP 1200 for 7-9 guests, a very successful ship, that off course we also hire out in Friesland.

The intention is, that the fleet is going to grow, and that more ships go to Italy.

### Discover the Lake Como with the SIMMERSKIP 1200

Just half an hour from noisy, bustling Milan, Lake Como is a jewel-like oasis of tranquillity, a magical combination of lush Mediterranean foliage and snowy alpine peaks. Very small villages with rows of characteristic stone houses come one after the other along the lake side and world famous localities known for their beauty.

Lined with elegant 19th-century villas, crowned by snow-capped mountains, buzzing with ferries, hydrofoils, and little passenger ships, this is a good place to take a break from the intensity and obligatory turnstile culture of central Italy.

Handy, accessible, and offbeat, Lake Como is Italy for beginners. The area's isolation and flat economy have left it pretty much the way the 19th-century romantic poets described it.

The lake Como represent a wide area full of history and works of art: many uncontaminated landscape beauties, masterpieces of the Romanic period in Lombardy, the valley, the cycles of fresco of the fifteenth and sixteenth century, the luxury villas of the nineteenth century, the churches and palaces, the territory offer occasion of amusement and enrichment for everyone.

At the heart of Como's walled Old Town, Piazza San Fedele has many 400-year-old buildings and the

basilica, one of the masterpieces of the *maestri comacini* (masters of Como).

**Cernobbio**, whose old town features a delightful collection of picturesque houses, narrow alleys, and the "Parco di Villa d'Este".

**Tremezzo** is another lovely lakeside town. There's a classic lakeside promenade, as well as many wonderful old villas as the more than 200 years old Villa Carlotta, **Varenna** may be the most picturesque town on the lake. Two famed villas to visit here are *Villa Cipressi*, with terraced gardens cascading right down to the shores, and *Villa Monastero*, a true showcase.

On the southern shore is **Bellagio**, *la perla del lago* (the pearl of the lake), considered by many to be the most beautiful town in all of Europe.

Its narrow cobbled streets, breathtaking views, impeccable homes and glorious villas make it a most enchanting spot to spend an unforgettable "time on the Lake."
